Get an exclusive behind the scenes look into the process of the hottest new title from Minotaur Press! Hack into the classified personnel files of slacker genius Dr. David Loren and all the other characters you know and love from behind the concrete barricades of a DARPA contracted Think Tank! School yourself on the extended "Science Class" that further explores the real world science behind the Reaper drones, guided bullets, and much, much more never-before-seen tech! Cheaper than tuition to Cal Tech, it's like breaking into a black box, but more fun.
