Tales of Honor Hits Shelves March 5th!

The Sci-Fi sensation series **Honor Harrington** gets its debut in the comic world on March 5th, 2014 with the release of **Tales of Honor!** Top Cow President and COO Matt Hawkins translates the novels to the world of visual storytelling with the help of artist Jung-Geun Yoon. If you're not familiar with the series, read on to find out what all the buzz is about!

Based on the best-selling military science fiction novels by David Weber, this original comic book series introduces spaceship captain Honor Harrington on the eve of her execution. From prison, Honor relays her epic adventures, starting with a command outpost to a hellish backwater star system that ends up being the lynchpin of an interstellar crisis that will bring war to her home planet. This series is part of a new multi-platform story world that includes a mobile game app to be released with the first issue and a feature film currently in development.
